

Vendor Agreement Wisconsin's Cooperative Purchasing Service

Wisconsin statutes (s. 16.73, Wis. Stats.) establish authority to allow Wisconsin municipalities to purchase from state contracts. Participating in the service gives vendors opportunities for additional sales without additional bidding. Municipalities use the service to expedite purchases. A "municipality" is defined as any county, city, village, town, school district, board of school directors, sewer district, drainage district, vocational, technical and adult education district, or any other public body having the authority to award public contracts (s. 16.70(8), Wis. Stats.). Federally recognized Indian tribes and bands in this state may participate in cooperative purchasing with the state or any municipality under ss. 66.0301(1) and (2), Wis.Stats.

Interested municipalities:

- will contact the contractor directly to place orders referencing the state agency contract number; and
- are responsible for receipt, acceptance, inspection of commodities directly from the contractor, and making payment directly to the contractor.

The State of Wisconsin is not a party to these purchases or any dispute arising from these purchases and is not liable for delivery or payment of any of these purchases.

The State of Wisconsin will determine the contractor's participation by checking a box below.
