RE: RFP ETC0014 for a Wisconsin Deferred Compensation Program (WDC) FDIC-Insured Investment Option

Dear Mr. Donati,

The Deferred Compensation Board met on June 5, 2013 and discussed the results of RFP ETC0014. The Deferred Compensation Board intends to pursue a contract with Nationwide Bank to provide an FDIC-insured investment for the Wisconsin Deferred Compensation Program (WDC). This is for services as presented in Nationwide Bank's response to RFP ETC0014 dated April 4, 2013 and the answer to the Evaluation Committee's Clarifying Question due May 7, 2013.

This letter is a notice of intent to contract and does not constitute a contractual commitment.

Sincerely:

Mark W. Blank
